

**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK**

Jane Doe 1, individually and on behalf of  
all others similarly situated,

Plaintiff,

v.

JPMorgan Chase Bank, N.A.,

Defendant.

Case No. 1:22-CV-10019 (JSR)

**DECLARATION OF SIGRID S. MCCAWLEY IN SUPPORT OF  
MOTION FOR AN AWARD OF ATTORNEYS' FEES AND EXPENSES**

I, Sigrid S. McCawley, declare as follows:

1. I am a member in good standing of the bar of the State of New York and am admitted to practice before this Court. I am a Managing Partner of Boies Schiller Flexner LLP ("BSF" or the "Firm"). I make this declaration on my own personal knowledge, and if called as a witness to testify, I could and would testify competently to the following facts.

2. I am submitting this declaration in support of my Firm's application for an award of attorneys' fees, expenses, and charges ("expenses") in connection with services rendered in the above-entitled action (the "Litigation").

3. BSF is Class Counsel of record for the Class certified for settlement purposes and Class Representative Jane Doe 1 ("Class Representative").

5. BSF has a strong record of successfully and diligently representing plaintiffs in complex class action litigation. Recent cases in which BSF or its partners were lead or co-Class Counsel include: *In re Grupo Televisa Securities Litigation*, No 18-cv-01979 (S.D.N.Y.), a

securities fraud class action in which the firm achieved a favorable \$95 million settlement; *In re Blue Cross Blue Shield Antitrust Litigation*, No. 13-cv-20000 (N.D. Ala.), an antitrust class action in which the Firm achieved both what the court referred to as “historic” injunctive relief and a \$2.7 billion award in a settlement that received final approval in August 2022; *In re Takata Airbag Products Liability Litigation*, No. 15-md-2599 (S.D. Fla.), a products liability class action which is still proceeding against certain defendants, but in which the Firm has already obtained a recovery of more than \$1.5 billion; and *In re Halliburton Securities Litigation*, No. 02-cv-1152 (N.D. Tex.), in which the Firm prevailed in a long-running securities action that involved two successful appeals to the United States Supreme Court before achieving a \$100 million recovery for the class. Another notable case in which BSF or its partners were Class Counsel is *In re Auction House Antitrust Litigation*, No. 00-cv-648 (S.D.N.Y.), in which the Firm won \$512 million in an antitrust class action after prior interim Class Counsel valued the case at less than \$100 million.

4. The information in this declaration regarding BSF’s time and expenses is taken from time and expense reports and supporting documentation prepared and maintained by the Firm in the ordinary course of business. I am the partner who oversaw and conducted the day-to-day activities in the Litigation and I reviewed these reports (and backup documentation where necessary or appropriate) in connection with the preparation of this declaration. The purpose of this review was to confirm both the accuracy of the entries on the printouts as well as the necessity for, and reasonableness of, the time and expenses committed to the Litigation. As a result of this review, timekeepers who billed less than 15 hours were excluded from the Firm’s lodestar calculations due to their nominal contributions to the successful resolution of the Litigation. Based on this review, I believe that the time reflected in the Firm’s lodestar calculation and the expenses

for which payment is sought herein are reasonable and were necessary for the effective and efficient prosecution and resolution of the Litigation.

5. Accounting for the reductions referred to above, the number of hours spent on the Litigation by the Firm is 8,223. The lodestar amount for attorney/paraprofessional time based on the Firm's 2023 rates is \$7,960,783.00. A breakdown of the lodestar is provided below:
